

Accra Girls' Senior High School

1st October, 2025

RECOMMENDATION FROM SICKBAY FOR FIRST YEAR STUDENTS

1. All new students must endeavour to do the mandatory medical examination.
2. All sick students should seek medical attention before reporting to school. The school should NOT receive sick/unwell students.
3. All students should come with mosquito net with sticks (4) to fix/mount the net.
4. All students should have a valid NHIS when reporting to the school.
5. All students should come with face mask to protect/minimize the spread of respiratory tract infections on campus.
6. Students with medical conditions should come with their prescribed medications. Eg. (Peptic Ulcer, Asthmatic, Diabetics, Arthritis).
